^{*}Morton Community Bank calculates the variable rate by adding a margin of 4.0% to the Prime Rate as published in The Wall Street Journal on the 15th of March, June, September, and December each year.

How We Will Calculate Your Balance: We use a method called "average daily balance" (including new purchases). An explanation of this method is provided with your account agreement.

Billing rights: Information on your rights to dispute transactions and how to exercise those rights is provided with your monthly statement.

No applicant may be denied a credit card on account of race, color, religion, national origin, ancestry, age, sex, marital status or mental handicap unrelated to the ability to pay or unfavorable discharge from military service. The applicant may request the reason for rejection of his or her application for a credit card. No person need reapply for a credit card solely because of a change in marital status unless the change in marital status has caused deterioration in the person's financial position.
